

L'art du papier plié

Christiane Bettens

Hôpital de Saint-Loup, 24 août au 15 octobre 2013

Chaque pièce est une création unique.

Une tessellation est constituée d'une seule feuille de papier, sans découpage.

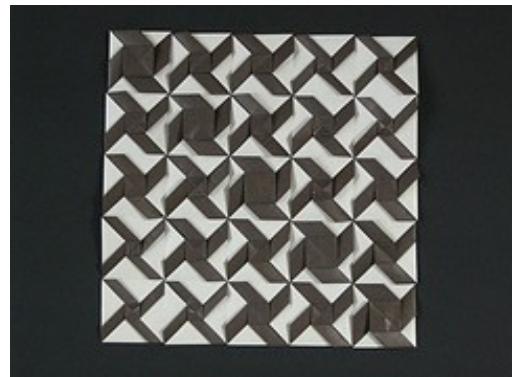

Un quilt, comme son homologue textile, est fait de plusieurs éléments s'accrochant l'un à l'autre sans colle.

Hall d'entrée

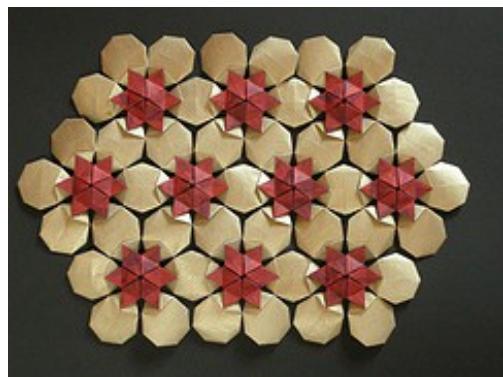

Floral quilt

150 Frs
